Rochelle Davis
Assistant Principal

February 6, 2012

Dear Parents/Guardians:

The Los Angeles Police Department notified School Police and the school about the arrest of a Germain Elementary School custodian for possible inappropriate behavior involving a student. This incident allegedly took place at school on Friday, February 3, 2012. As part of the investigation, the custodian has been removed from school.

The school and the Los Angeles Unified School District take these allegations very seriously and will fully cooperate with the police investigation. I would like to reassure parents and guardians that the school and District will take every precaution to ensure the safety of students and staff at our schools. If you have any questions or concerns, please contact me at (818) 341-5821.

As the principal of Germain Elementary School, the safety and well being of our students and staff are my top priorities.

Thank you,

Sonia Ugarte,
Principal
